

Chelsea Carter, CFA

Principal
Bonfield Financial Inc.
Toronto, Ontario

Chelsea Carter is a member of the Capital Markets team at Bonfield Financial, supporting the firm's investor relations and fundraising activities. Prior to joining Bonfield, she was Senior Associate of Investor Relations at a Toronto-based alternative investment management firm, where she was responsible for supporting relationships with existing and prospective investors and managing key business development initiatives across the firm. Previously, Chelsea was Director of Investor Relations at a health care royalty investment management firm managing the firm's investor relations function and spent several years at Scotia Wealth Management providing investment advice and overall portfolio strategy to advisors. She earned a bachelor of science degree in economics from Trinity College and is a Chartered Financial Analyst (CFA).
