

Eric Miller, FSA, CERA, MAAA

**Vice President and Consulting Actuary
Segal
Austin, Texas**

Eric is a vice president and consulting actuary in the National Health practice at Segal, where he provides thought leadership and oversees Segal's health actuarial models. He has expertise in investigating trends, benefit pricing, evaluating medical networks, provider contracting, and alternative payment models. Eric has been with Segal for six years. Prior to joining Segal, Eric spent ten years at regional Health Plans in Texas and New Mexico, where he was responsible for pricing commercial and ACA products, managing analytic teams for medical management and provider contracting, performing the IBNR calculation, and modeling value-based payment arrangements. Eric received a B.S. degree in applied mathematics from the University of New Mexico. He is a Fellow of the Society of Actuaries, a Chartered Enterprise Risk Analyst and a Member of the American Academy of Actuaries.
