

Lezlie Mintz, MBA

Vice President and Account Manager
Pacific Investment Management Company (PIMCO)
Montréal, Québec

Lezlie Mintz is a vice president and account manager in PIMCO's Montréal office. She supports Canada's strategic accounts business, including relationships with key distribution and intermediary partners. Lezlie also leads institutional business development in the Ottawa and Atlantic Canada regions. Prior to joining PIMCO in 2025, she was senior vice president at ACM Advisors, a Canadian institutional commercial mortgage fund manager. Lezlie has also been a speaker for the International Foundation of Employee Benefit Plans and the Canadian Pension and Benefits Institute. She has 18 years of combined experience in mortgage underwriting and client relationship management. Lezlie holds an MBA from the University of British Columbia and an undergraduate degree from the University of Alberta.
