

**Joseph F. Ohm, M.B.A.**

**Fund Administrator  
Plumbers' and Technical Engineers' Local 130 Benefit Funds  
Chicago, Illinois**

In 1994, Joe began his career in the employee benefits industry. Since entering the multiemployer industry over 31 years ago, he has undertaken numerous roles within the fund office setting. Presently, Joe is the fund administrator for the Plumbers' and Technical Engineers' Local 130 Benefit Funds in Chicago, Illinois. In his current role, he administers five employee benefit funds (one defined benefit pension plan, two health and welfare plans and one defined contribution fund) and one education and training fund. Total assets for all plans exceed \$2.3 billion and provide benefits to approximately 13,000 members, spouses and dependents. Joe holds a B.S. degree in business from Eastern Illinois University, with a double major in finance and marketing, and an M.B.A. degree from Eastern Illinois University.
